

No user has the ability to sign-up for internet/phone service at this. TriCoLink will bring each fiber feeder online one at a time, starting in December 2020. We will send out mailers with sign-up instructions to each individual member within (Phase 1) as their feeder is operational. At that time, you will have the ability to sign-up for TriCoLink's Fiber-to-the-Home (FTTH) high-speed internet and phone service.

- *Lost John
- *Brook Store
- *Meeting House

5 EASY STEPS TO HIGH-SPEED INTERNET

- 

1. Reach Out

TriCoLink will send each customer a mailer when their fiber feeder becomes operational. Customers can then call us at 803-874-1215 or visit www.tricolinksc.com to register for our internet service.
- 

2. Mark your Calendar

We will contact you once service is available in your area to set up a "flag" appointment
- 

3. Fly the Flag

Our technicians will come out and place flags to mark the spot for the outside cable
- 

4. Get the Drop

Our crews will "drop" the cable to connect from our mainline fiber to your premise, and make an appointment to complete your inside fiber install.
- 

5. Take Off

Your install is complete so ready, set surf!
